

## **Pet Policy**

**At Eco Park Resort, your pets are always welcome. We do require a deposit and we have some simple rules listed below you'll need to follow during your stay. In addition to our rules you are also responsible for being in compliance with all local laws and regulations.**

- **When making reservations, you will need to let us know that you are bringing a dog with you. Not all our cabins are pet friendly due to allergies.**

- **Be sure to keep your pets on a leash at all times at Eco Park Resort.**

- **Pets shall remain within your control at all times, either on a leash or in a carrier. Pets may not be left alone in a Cabin, Yurt or a RV/Tent Site.**

- **In consideration for other guests, please clean up after your pets, and keep them within your control at all times.**

- **We count on you to prevent your pet from making excessive noise, being disruptive or aggressive to other guests. If your pet is deemed dangerous, harmful or disruptive, management has sole discretion to require you to find other accommodations. The Resort also reserves the right to contact animal control to have a pet removed.**

- **If your room requires excessive cleaning, or if damages are incurred as a result of your pet's actions, the resort may charge for additional services and repairs.**

**Please bring your pets favorite blanket or bed to sleep on, so they can be as comfortable as possible. Pets are not allowed on the beds and or bedding in the cabins.**

**Thank you for choosing Eco Park Resort, and enjoy your stay.**
